(Member ID – Go to the CMT website, create a login, and find this under the MyCMT page)

CMT Level I

Focusing on the basic knowledge of the terminology and analytical tools used in technical analysis.

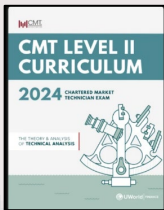

40 to 100 hours | 628-page text

CMT Level II

Measuring the candidate's competency in the application of concepts, theory, and techniques covered by the required readings.

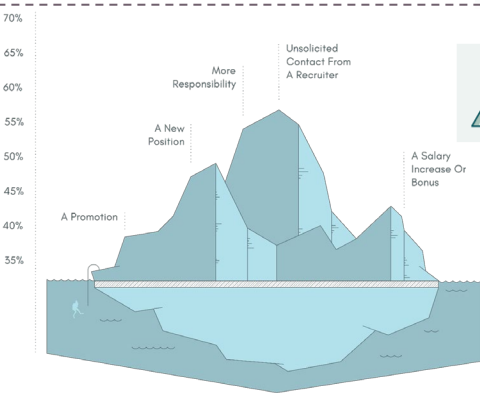

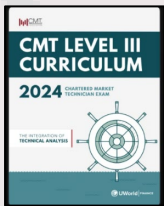

60 to 120 hours | 815-page text

CMT Level III

Integrates the candidate's understanding of the concepts identified in Level I with the practical application learned in Level II.

60 to 140 hours | 911-page text

Three levels of Examination

Must be completed in sequence

Only 1 level per administration

Why CMT?

- Preeminent Global Designation – Offers immediate credibility and recognition.
- Differentiated Value – mastery of a comprehensive body of knowledge.
- Structured approach to applied study of technical analysis.
- Complementary toolset to other analytical approaches such as macro-economic, fundamental, and quantitative methods.

About the Academic Partner Program

The CMT Association's Academic Partner Program fosters collaboration between our non-profit and colleges/universities worldwide. It supports professors in teaching practical market analysis and portfolio management, emphasizing price behavior. Aligned with the Chartered Market Technician Program, participating institutions benefit from enhanced job placement opportunities, even for Level I graduates. This initiative bridges academia and the financial industry, offering access to investment challenges, internships, networking events, and joint research projects.
